

# Opportunities to Learn and Serve Your Community in Emergencies!

**Basic Disaster Ministry:** An introduction for all people interested in the unique and important role the faith community plays in disaster mitigation, preparedness, and response in the United States. Participants learn about disasters, traditional responses to a disaster and how the faith-based response is different, how to prepare for a disaster, and ways to get involved after disaster strikes. The module provides a vision of disaster response that includes emotional and spiritual care as well as physical rebuilding to assist in long-term recovery of those in need and addresses the unmet needs of all survivors, particularly people who were vulnerable before a disaster.

**When:** Wednesday, September 26th, 9-11am (Register by Friday, September 21st)

**Where:** FRCOG offices at the John W. Olver Transit Center, 12 Olive St., Greenfield, MA
