**Western Massachusetts Intergovernmental  
Emergency Mutual Aid Agreement  
By and Between the Town of**

---

**and all other  
Local Governments That Have Signed This Agreement**

**Section 1: Purpose**

The purpose of this Agreement is to provide for mutual aid and assistance between the municipalities entering into the Agreement to provide services to prevent and combat the effects of a mass casualty incident or emergency and disasters as defined in Chapter 639 of the Acts of 1950 when a local emergency has been declared and local resources are insufficient to meet this unusual need.

The safety and well being of a community will best be protected through the concerted efforts of multiple governments providing assistance to one another. The promotion and coordination of this assistance through this Agreement is desirable for the effective and efficient provision of mutual aid and assistance.

**Section 2: Authority**

The Agreement is intended for use in an emergency situation, “in the light of exigencies of an extreme emergency situation” as excerpted from Chapter 639 of the Acts of 1950, as codified under Mass Gen. Laws. C. 33, appendix and other relevant State and local laws and policies. In addition, pursuant to M.G.L. Chapter 40, Section 4A, mutual aid agreements may be made among municipalities or municipal agencies, with the authorization of the City Council and Mayor in a city, and of Town Meeting in a town.

**Section 3: Definitions**

**Mutual Aid** means aid to another local government in the form of personnel, equipment, facilities, services, supplies, or other resources appropriate to public safety and welfare.

**Inter-municipal** refers to the surrounding local governments participating in this mutual aid agreement.

**Receiving Government** means the local government requesting mutual aid from another local government.

**Sending Government** means the local government sending mutual aid to another local government.

**Section 4: Other Agreements**

This Agreement supersedes prior mutual aid agreements or inter-municipal agreements

among the signatories of this Agreement, except for the Berkshire, Franklin, Hamden and Hampshire Counties Fire and Police Mutual Aid Agreements and the State Fire Mobilization Agreements which are not superseded by this agreement.

This Agreement does not limit any municipalities' ability to enter into mutual aid agreements in the future.

### **Section 5: Requests for Assistance**

In order to request mutual aid pursuant to this Agreement, the Receiving Government must declare a local emergency as defined in Chapter 639 of the Acts of 1950 and then request mutual aid from the Sending Government.

### **Section 6: Limitations**

The provision of mutual aid is voluntary. Neither the Sending nor Receiving Government shall be required to deplete its own resources.

### **Section 7: Supervision and Control**

Personnel and equipment dispatched to a Receiving Government shall remain employees of their respective Sending Government, but shall work under the overall discretion of the Receiving Government.

The Receiving Government will utilize the incident command system and responding resources from Sending Government(s) will be incorporated as appropriate into that system.

### **Section 8: Powers and Rights**

Employees of the Sending Government agencies that are parties to this Intergovernmental Mutual Aid Agreement shall be granted recognition of their respective jurisdiction, authority, licenses or permits outside their original jurisdiction under this Intergovernmental Mutual Aid Agreement.

### **Section 9: Liability**

The Sending Government will maintain workers compensation coverage for its employees and liability coverage for its vehicles and equipment. Any uninsured or extraordinary expenses may be part of a claim for reimbursement. The Receiving Government agrees to maintain adequate liability insurance or be self insured and to hold harmless and indemnify the Sending Government for any and all claims occurring while its personnel and equipment are working under the direction of the Receiving Government. These indemnities shall include legal fees and costs that may arise from providing emergency aid pursuant to this Agreement, to the extent permissible under Massachusetts General Laws.

## **Section 10: Workers Compensation**

The Sending Government will maintain workers compensation coverage for its employees and liability coverage for its vehicles and equipment. Any uninsured or extraordinary expenses may be part of a claim for reimbursement. The Receiving Government agrees to maintain adequate liability insurance or be self insured and to hold harmless and indemnify the Sending Government for any and all claims occurring while its personnel and equipment are working under the direction of the Receiving Government. These indemnities shall include legal fees and costs that may arise from providing emergency aid pursuant to this Agreement, to the extent permissible under Massachusetts General Laws.

## **Section 11: Reimbursement**

Hourly rates, equipment costs, and hours worked by those providing Emergency mutual aid will be provided to the Receiving Government for all actual costs. The Sending Government providing emergency mutual aid may request reimbursement for all actual costs. The Receiving Government agrees to promptly process and pay actual costs to the Sending Government providing emergency mutual aid based on customary and good practices not withstanding potential reimbursements from State or Federal emergency relief programs.

Notwithstanding the requirements contained in the foregoing paragraph, no Receiving Government shall be required to violate their annual budgets, and shall only be required to make good faith efforts to meet the financial obligations contained herein. Meeting financial obligations shall be interpreted to mean reaching inter-municipal agreements for payment over time, or agreeing to wait for reimbursement in anticipation of funds from State or Federal emergency relief programs, or such other mutually acceptable, practical arrangement between Sending and Receiving Government(s).

## **Section 12: Implementation**

The purpose of these recitals is to insure that the Sending Government is reimbursed all specified and reasonable costs and assumes no additional liabilities as a result of the Agreement. The Sending Government and its designee shall determine the manner and degree which such emergency mutual aid is utilized.

During the performance of this Agreement, the Receiving Government agrees as follows:

The Receiving Government will not discriminate against any client or applicant for services because of race, color, religion, sex, age, sexual orientation, disability, family status, veteran status, ancestry or national origin. The Receiving Government will take affirmative action to ensure that clients, applicants and employees are treated without regard to their race, color, religion, sex, age, sexual orientation, disability, family status, veteran status, ancestry or national origin.

In the event of the Receiving Government's noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Receiving Government may be declared ineligible to participate in a further emergency mutual aid Agreements.

The Receiving Government further covenants that in the performance of this Agreement, they do not have any interest, direct or indirect, which will conflict in any manner or degree with the performance of the emergency mutual aid hereunder.

This Agreement shall be governed by the law of the Commonwealth of Massachusetts unless otherwise specified. Any action, whether at law or equity, shall be brought only in the Superior Court of the county in which the complaining municipality resides, or the Federal District Court sitting in Springfield, Massachusetts.

Both the Sending Government and the Receiving Government shall comply with all applicable rules and regulations promulgated by all local, state, federal and national boards, bureaus and agencies.

### **Section 13: Term of Agreement**

This Agreement represents the entire and integrated Agreement between the LOCAL GOVERNMENTS THAT HAVE SIGNED THIS AGREEMENT and supersedes all prior negotiations, representations or agreements, either written or oral, This Agreement may be amended only by written instrument signed by all the LOCAL GOVERNMENTS THAT HAVE SIGNED THIS AGREEMENT.

This Agreement is to remain in effect for twenty-five years from the date of execution, at which time it may be extended in accordance with Massachusetts law. Any party may withdraw from this Agreement at any time by sending fourteen (14) days' prior written notice to all other parties. This Agreement shall continue to be in effect among the remaining parties.

### **Section 14: Severability**

This Agreement may be amended only by written instrument signed by all the LOCAL GOVERNMENTS THAT HAVE SIGNED THIS AGREEMENT.

Should any portion of this Agreement be judged to be invalid by any court of competent jurisdiction, such judgment shall not impair or invalidate the remainder of this Agreement, and for this purpose the provisions of this Agreement are declared severable.

**Addendum to the Western Massachusetts Intergovernmental  
Emergency Mutual Aid Agreement**

**By and Between the Town of**

---

**and all other  
Local Governments that Have Signed this Addendum**

This **ADDENDUM** to the Western Massachusetts Intergovernmental Emergency Mutual Aid Agreement dated as of this \_\_\_\_ day of \_\_\_\_\_, 2016 (the “Addendum”) is endorsed by the municipality of (*Insert Name of Municipality*), Massachusetts (the “Participating Municipality”) pursuant to Massachusetts General Laws Chapter 40 Section 4A. The Participating Municipality providing regional sheltering services under this Addendum is referred to herein as the “Host Community.” School Districts that own a regional shelter facility located in the Host Community are also encouraged to endorse this Addendum and to enter into Facility Agreements with the elected officials of their Town.

**WHEREAS**, M.G.L. c. 40 s. 4A, as amended, authorizes the chief executive officer of a city or town to enter into agreements with one or more municipalities and other governmental units to jointly perform services and share costs which any one of them is authorized to perform;

**WHEREAS**, the Participating Municipalities in Franklin County are all signatories of the Western Massachusetts Intergovernmental Emergency Mutual Aid Agreement which is intended for use in an emergency situation, “in the light of exigencies of an extreme emergency situation” as excerpted from Chapter 639 of the Acts of 1950, as codified under Mass Gen. Laws. C. 33, appendix and other relevant State and local laws and policies;

**WHEREAS**, the Participating Municipalities agree to work in common to coordinate and operate regional shelters to provide services to displaced disaster victims located in the region as additional mutual aid services;

**WHEREAS**, the Participating Municipalities agree to pay their fair share of the costs of operating a regional shelter because their citizens will benefit from the availability of the regional shelter.

**NOW, THEREFORE**, in consideration of the promises and mutual benefits to be derived by the Participating Municipalities hereto, the Participating Municipalities agree as follows:

- 1) The Emergency Management Directors (EMD) or Assistant EMDs (AEMD) of all Participating Municipalities shall determine when and where to begin and end regional sheltering assistance, to the extent practicable. In the absence of the EMD and/or AEMD, the Mayor, Board of Selectmen, or Town Manager/Administrator (if legally authorized) shall make and receive requests for regional sheltering assistance. If it is not possible for a representative of each participating municipality to take part in a meeting, conference call, or other means of communication available for the purpose of making a regional sheltering determination, a group comprised of at least two or more Participating Municipalities within the region shall suffice, providing that it includes a representative of the Host Community in which the regional shelter would be located. Any verbal request to begin or end regional sheltering assistance shall be followed up with a written request to the Host Community as soon as practicable.
- 2) All Participating Municipalities agree to collaborate in order to provide trained and authorized personnel, equipment and facilities to conduct a regional sheltering operation and to make such regional shelters available to other Participating Municipalities under the terms and conditions set forth herein.
- 3) It is mutually understood that each Participating Municipality's foremost responsibility is to its own residents. This Addendum shall not be construed to impose an absolute obligation on any Participating Municipality. Accordingly, when regional sheltering assistance has been requested, a Host Community, may, in good faith declare itself unavailable to assist and shall so inform the requesting Participating Municipality(ties).
- 4) The Host Community in which a regional shelter is located is primarily responsible for coordinating and operating that regional shelter, with resources and funding to be provided by the other Participating Communities as agreed herein, consistent with the policies and procedures detailed in the Franklin County Regional Shelter Plan.
- 5) The Host Community shall pay for the expenses to operate the regional shelter and then seek reimbursement from the other Participating Municipalities that requested sheltering assistance from the time the regional sheltering assistance request was made until the request to end regional sheltering assistance was made, including reasonable costs to close the regional shelter. In the event that other Participating Municipalities have provided staff or other official personnel to assist the Host Community in the operation of the regional shelter, the salaries of those personnel shall continue to be the responsibility of their home municipality.

- a) The Host Community shall send an invoice and supporting documentation for all reasonable costs incurred to operate the regional shelter to the requesting Participating Municipalities, as soon as practicable following the closing of the shelter. The requesting Participating Municipalities shall make payment or advise of any disputed items within 30 (thirty) days following the date of the invoice.
- b) The cost to each requesting Participating Municipality shall be allocated based upon the proportion of shelter residents from each requesting Participating Municipality, using an overall average of the percentage of residents from each municipality calculated for each day that the shelter is in operation. Costs attributable to services provided to residents of the Host Community at the shelter shall not be included in the costs allocated to the other Participating Municipalities.
- c) If a Participating Municipality has provided staff and/or other official personnel in support of the operation of a regional shelter (including fire and police department personnel, Board of Health staff , and Building Inspectors), the shelter costs allocated to them shall be reduced by the value of those services; but in no case shall that reduction exceed the value of the total cost allocation to the Participating Municipality. Reductions for the value of municipal staff services shall be commensurate with their regular hourly rate, plus benefits. Community volunteers not acting in an official capacity on behalf of and under the supervision of the Participating Municipality, including members of regional volunteer organizations such as the Medical Reserve Corps, Community Emergency Response Team, or Disaster Animal Response Team, shall not be included for purposes of calculating a reduction in the regional shelter cost allocation.
- d) The Host Community shall also reserve the right to send an invoice and supporting documentation for all reasonable costs incurred to operate the regional shelter to any municipality whose residents were provided the services of the regional shelter, regardless of whether they have endorsed this Addendum, under the provisions of Section 11, Reimbursement, of the Western Massachusetts Intergovernmental Emergency Mutual Aid Agreement.
- e) In the event that the Regional Shelter Facility is owned by a party other than the Host Community (e.g., a School District), the costs incurred by the Facility Owner (including heat, electricity, janitorial services, nursing staff, etc.) shall be billed to the Host Community and included in the sheltering costs included in the invoices sent to all Participating Municipalities. These costs shall be reimbursable to the Facility Owner once payment on at least 75% of the outstanding invoices has been received by the Host Community.

- f) Cost recovery by the Host Community from the Participating Municipalities shall occur whether or not a federal or state disaster declaration is made. All records of activities and expenses of all Participating Municipalities associated with the opening, operation, and closing of a regional shelter shall be in a form consistent with state and federal requirements for reimbursement in the event that a state or federal disaster were declared. Any requests for reimbursement of expenses related to operating a regional shelter during a state or federal emergency shall be submitted by the individual Participating Municipalities and/or the School District to the appropriate state and federal agencies for their share of the expenses.
- 6) To the extent that immunity does not apply, each Participating Municipality shall bear the liability for its own actions or those of its representatives and employees, as it does with day-to-day operations. Participating municipalities shall carry the following types of insurance in at least the limits specified below:

COVERAGE	LIMITS OF LIABILITY
Workers' Compensation	Statutory Limit
Employers' Liability	\$500,000
Bodily Injury Liability (except automobile)	\$1,000,000 each occurrence \$2,000,000 aggregate
Property Damage Liability (except automobile)	\$1,000,000 each occurrence \$2,000,000 aggregate
Automobile Bodily Injury Liability	\$1,000,000 each person \$2,000,000 each occurrence
Automobile Property Damage Liability	\$1,000,000 each occurrence

- 7) This Addendum shall remain in effect for a period of up to twenty-five (25) years unless earlier terminated by the Participating Municipalities, and shall run coterminous with the term of the Western Massachusetts Intergovernmental Emergency Mutual Aid Agreement.
- 8) Any Participating Municipality may withdraw from this Addendum upon sixty (60) days written notice to all other Participating Municipalities. The withdrawal from this Agreement shall not affect the obligation of any Participating Municipality to reimburse the Host Community for costs and expenses already incurred prior to the effective date of termination.
- 9) This Addendum may be modified at any time upon the mutual written consent of all of the Participating Municipalities.

- 10) This Addendum shall be governed by, construed, and enforced in accordance with the laws of Massachusetts.
- 11) Any notices permitted or required hereunder to be given or served on any Participating Municipality (including the Host Community) shall be in writing and signed in the name of or on behalf of the Participating Municipality giving or serving the same by an authorized representative as outlined above in section 1. Notice shall be deemed to have been received at the time of actual receipt of any hand delivery or three (3) business days after the USPS postmark date of any properly addressed notice sent by mail.
- 12) The Parties shall strictly observe and comply with all federal, state and local laws and regulations which may govern the services to be provided as herein specified.
- 13) The Parties shall not discriminate against any person because of race, gender, age, color, religion, ancestry, handicap, sexual orientation, sexual identity, gender identity, veteran status, national origin or any other protected class under the law.
- 14) Should any clause, sentence, provision, paragraph or other part of this Addendum be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this Addendum.
- 15) This Addendum constitutes the complete agreement between the Participating Municipalities concerning the subject matter hereof.

# COAD

For Emergency Management Directors

Community Organizations Active in Disasters - Make One Call for Help!

**The COAD is a network of Non-Government Organizations ready to support emergency response and recovery, based on 4 principles:**

**Make One  
Phone Call  
for Help!**

**Michael  
Nelson  
413-485-8627**

**COADs provide EMDs with a single point of contact for community organization/volunteer coordination.**

COADs include faith-based organizations, the American Red Cross, Salvation Army, elder service agencies, the Food Bank of Western Massachusetts amateur radio operators and many others.

COAD services include debris removal, emergency food, volunteer management, animal care, social service support, donation management and transportation.

# ABOUT COADS

- Two COADs: Berkshire County and Pioneer Valley (Franklin, Hampshire, Hampden Counties)
- The COADs coordinate/ member agencies respond
- COAD agencies will not self-deploy
- Local IC/EMD can request COAD assistance: Call **413-485-8627**
- COADs coordinate with ESF-7 desk at MEMA (when staffed)

## Services

- ❑ Animal care
- ❑ Elderly and child care services
- ❑ Debris removal
- ❑ Financial assistance: insurance claim assistance
- ❑ Food for victims or responders
- ❑ Goods: clothing and household goods, furniture
- ❑ Health Care
- ❑ Housing: overnight shelter
- ❑ Spiritual, emotional, and mental health support for victims and responders
- ❑ Professional services
- ❑ Repair/Rebuilding
- ❑ Services for special populations e.g. translation and interpretation
- ❑ Transportation of goods and people
- ❑ Volunteers: volunteer management and donations management
